

Interior Refurbishment & Fit-Out Solution

For Residential Interiors, Commercial Office, Hotel / Hospitality and Other Interior Applications

1 concept design

Supply your design

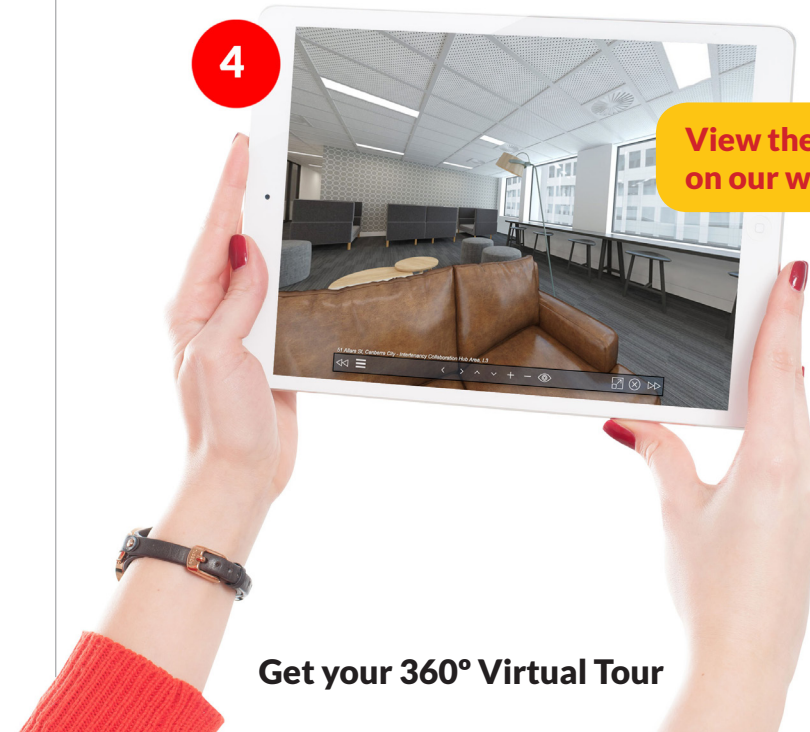

We accurately visualise it in 360°

We will create virtual interiors, artist impressions & 360° tours of your design concept. With one of our VIRTUAL INTERIORS, all your project approvals will happen easily, and smoothly.

BENEFITS INCLUDE:

- ALL the design is approved by your client before you begin the refurb or fitout project.
- No more frustrations with client changes at fitout stage
- Help keep projects on schedule and
- Help to avoid costly mistakes and
- A complete fitout pre-approval without interrupting your clients' business
- Avoid those inevitable frustrating client changes once the refurb or fitout is underway!
